

MEMORANDUM FOR 423 FSS/FSR

FROM:

SUBJECT: Request for Waiver of Insurance

1. The above mentioned private organization requests a waiver of insurance pursuant to AFI 34-223.

2. In making this request, we acknowledge our responsibility to maintain adequate insurance coverage commensurate with the risk posed to the general public and the club membership. As we are a low-risk private organization in our day-to-day activities, full-coverage insurance is, generally, not necessary. However, should we engage in activities, which directly increase the risk to the public or to our membership, we will strongly consider procuring adequate insurance coverage commensurate with the level of risk involved with such activities. Such instances include, but are not limited to, the three examples listed below:

- a. Bazaars, as a cosponsor who furnishes workers,
- b. Any fundraising activity open to the general public where athletic or sports-related activities are sponsored or conducted by the organization, or
- c. Fundraising activities where food is propertyed and/or sold by the organization.

3. Further, we realize that claims against the organization for injury or damage caused by our negligence may impose joint and several liability upon each member of the organization in the event we lack sufficient insurance coverage.
