

Own Gunners Paintball – SPLATTERFEST

Participation is aimed at own gunners, personnel with equipment who wish to shoot more paint, and therefore be hit a greater number of occasions. These players can organize themselves to play without marshals. A staff member will be present to ensure that the safety procedures are followed, first aid/emergency contact, provide air and equipment when required.

- Field fee is \$200.00 for the day (summer 09:30 – 15:30, winter 09:30 – 14:30). This equates to be \$20.00 per player if 10 players were playing and includes all air refills for the days play. Larger group's prices on request.
- Discounted paint (\$55.00/case (2000 paintballs)). This needs to be reserved and paid for in advance.
- All payments must be made in US Dollars or VISA/MasterCard. No pounds.
- Bring your own paint. This is ONLY allowed on Splatter fest days if using your own equipment.
- Mask and Gun rental \$15:00 for friends of own gunners or in the case of equipment failure. This needs to be booked and paid for 7 days in advance of the game. Only paintballs purchased on site can be used with the rental equipment.
- Game days are from 09:30. A staff member will meet you at the site.
- Summer games will end by 15:30. Players must be cleaned up and off site by 16:00. Winter games will end by 14:30. Players must be cleaned up and off site by 15:00.

Players are responsible for escorting all visitors whilst on base and signing them on at the SF gate.

Paint purchased for use on these days will not be allowed back on to the field for a regular game day.

This format is not to replace our regular all in packaged paintball day for inexperienced groups.
