### Initial Purchase

I agree that any item purchased under this program is solely for the use of me, and my dependents, as a member of the United States Force in the United Kingdom. No item purchased under this program may be given, sold or otherwise transferred to any other person who is not eligible for the program. I understand that violation of this prohibition or any prohibition in 3AFI 51-702 is punishable under provisions of the Uniform Code of Military Justice (UCMJ) or the Customs and Excise laws of the United Kingdom.

Goods purchased under the Vat Free Sales Program should, under normal circumstances, be limited to items that are capable of being exported when you leave the UK. Notwithstanding this, HM Customs and Excise are permitting repairs and replacements to real property to be acquired Vat Free. When you leave the UK, you should, if possible, take the goods with you or transfer them to another entitled individual. In the event the goods are left in the UK and are not transferred to another entitled individual, HM Customs and Excise reserve the right to inspect the goods. If they are satisfied that at the time of your departure the goods have a residual value that will be transferred to a non-entitled individual, you may be required to pay the Vat on that residual value.
